Rennie Grove Peace Hospice Care (RGP) purpose

Our purpose is to provide the quality hospice care our community needs. We support local people within Bucks and Herts who are living with a progressive life-limiting illness, enabling them to live well with illness, in the place that best suits their needs.

We provide palliative and end of life care support in four stages: Early Support, Living Well, Dying Well and Bereavement Support. Our patient services are available to adults as well as patients transitioning into adult services (16 to 25 years.) Bereavement support is offered for all ages to families of patients and those around them.

We are proud to offer care in the place that best suits the individual's needs, whether that's at home, in a care home, as a short stay in our inpatient unit, out in the community, or in our purpose-built Living Well Centre facilities. As a hospice care charity, we have offered this support, free of charge, for over 40 years.

Purpose of this role

Rennie Grove Peace collection boxes in our community generate over £25,000 every year. Volunteers who collect and replace our boxes help us maintain this significant stream of funding which is vital to helping us support our patients and their families.

Main tasks

- you will liaise with the community fundraising administrator who co-ordinates the distribution and collection of pub and shop boxes
- the administrator will send you a list of boxes that need collecting in your area, and you will get in touch with those on your list and arrange to swap full boxes for new ones
- once you have collected your boxes, you will bring them into your nearest office and deliver them to the administrator
- if there are any changes to your list you will let the administrator know

- you will be asked to collect a minimum of five boxes usually twice a year

What are we looking for?

- a friendly and organised person
- someone who is trustworthy and reliable
- happy to use your own car to collect boxes and take money to the offices

Training and support

- you will be line managed by the community fundraising administrator

What you need to know
